I started my professional career 30 years back. Being the son of a great businessman, Haji Muhammad Igbal Baloch (late), and following his footsteps, I have always tried to work for the betterment of my country. By the grace of the Almighty, today due to those 30 years of hard work I believe my company is truly contributing to the economic growth of Pakistan. It is the same vision which I adopted from my father that has helped me build my own philosophy. As a writer, a passionate poet, a proven team builder and an upholder of cultures, I was motivated to found Visionary Group in 2002 to bridge the gap between the rich and poor.

30年前,我开启了自己的职业生涯。先父哈吉·穆罕默德·伊克巴尔·俾路支(Haji Muhammad Igbal Baloch)是一名杰出的商人,追随着他的脚步,我一直努力工作以报效社会。感谢安拉,30年来的 兢兢业业确有所成,我的公司为巴基斯坦的经济增长作出了贡献。先父的人生哲学也启发我成长出自 己的经营理念。作为一名作家、情感充沛的诗人、久经考验的团队建设者和文化传承者,我于2002 年成立远见集团,致力于减少贫富差距。

I always believed that without economic growth and people to people connectivity one cannot achieve his ultimate goals, thus making development impossible. Therefore, realizing the potential in Balochistan, in 2004, I pioneered an annual feature in the motorsports industry through Freedom Rally Pakistan which has eventually brought business and tourism to this unseen province of Pakistan. Through Vsh News, I gave a voice to Balochistan and since then Vsh News has represented the province within and across the country. A decade ago, I physically sensed the need for building an elite social club to not only amplify but bring a great change in the economic activity of Balochistan. Therefore, I am now building Gwadar Gymkhana which will be a place

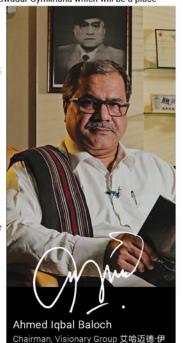

where people will connect, and businesses

will flourish.

我始终认为,如果脱离了经济增长和人际互联,我们不 可能实现终极目标,因而也不可能实现发展。俾路支省 在巴存在感不高,但潜力巨大。2004年,我成立"巴基 斯坦自由拉力" (Freedom Rally Pakistan)公司,引领 全国赛车运动发展,为当地带去众多商机,也吸引了大 批游客。此外,我集团旗下的Vsh新闻一直为俾路支省 发声,成为该省在国内外的形象代言频道。十年前,我 体会到打造一个精英社交俱乐部以发展、改善俾路支省 经济面貌的迫切性,由是"瓜达尔俱乐部"(Gwadar Gymkhana)应运而生,人们将在此实现互通互联、商 业繁荣。

To me, prosperity is hidden in respecting humans. I also firmly believe that success is destined for those who are fearless in the face of hardships and live through difficult times without compromising on their values. However, despite all our achievements, there are still many more challenges to face and obstacles to overcome.

于我而言,繁荣兴旺始于对人类的敬重;我也坚信,成 功注定属于那些面对困难时不屈不挠、陷入绝境时不忘 初心的人。我们取得了一定的成绩,但未来我们仍将乘 风破浪,迎击更多挑战。

克巴尔俾路支,主席富有远见集团

Belonging from Pasni, a small city in the District of Gwadar, Balochistan but raised in Karachi, I am Ovais Igbal Baloch, son of a great leader Haji Muhammad Igbal Baloch (late). To bring back the legacy of my father who played a vital role in the social and political development of Balochistan and Pakistan, I want to work towards the evolution of this province which would eventually lead to the growth of Pakistan. My goal is to provide fundamental human rights to the people of Balochistan, so this province can progress. I believe that Balochistan has vast untapped potential which can help Pakistan boost its economic sector. Over the years Visionary Group has achieved numerous milestones like introducing Pakistan's first Motorsports company, Freedom Rally Pakistan; Pakistan's first Balochi satellite TV news channel, Vsh News Television and Balochistan's first elite social club, Gwadar Gymkhana.

我叫奥瓦斯·伊克巴尔·俾路支,来自俾路支省瓜达尔市帕斯尼,从小在卡拉奇长大。先父哈吉·穆罕默 德·伊克巴尔·俾路支是一位伟大的领路人,他在俾路支省和巴基斯坦的社会和政治发展中发挥了至关 重要的作用。为传承先父遗志,我致力于推动俾路支省发展,从而带动全国发展。我立志在俾路支省 普及基本人权,使当地实现进步。我相信,俾路支省蕴藏着巨大潜力,可助力巴经济腾飞。多年来, 远见集团取得了许多里程碑式的成就,如成立巴首个赛车公司"巴基斯坦自由拉力"、开办巴首家俾路 支语卫星电视新闻频道Vsh新闻电视台、打造俾路支省首个精英社交俱乐部"瓜达尔俱乐部"。

Initiatives like these require a lot of traveling and engagement with the locals. The more I travelled, the more I realized the challenges the people of Balochistan face in terms of education, health and social uplifting. Therefore, in 2004, my brother and I established a nonprofit organization named after our father, Haji Muhammad Igbal Baloch. The HMIB Foundation aims to work in

various fields of social welfare. Moreover, my brother and I have successfully tried to connect the people of Balochistan with mainstream Pakistan through cultural integration by introducing 2nd March as Baloch Culture Day, a day celebrated with utmost enthusiasm across Pakistan.

以上工作的推进都需要深入当地,到群众中去。我多次 前往俾路支省,越来越意识到当地人民在改善教育、 卫生和社会方面挑战重重。因此,在2004年,兄长与 我成立了HMIB基金会。这是一个以先父哈吉·穆罕默德 ·伊克巴尔·俾路支命名的非营利性组织,致力于改善各 个领域的社会福利。此外,兄长与我通过打造3月2日 俾路支文化日,成功带动俾路支省人民融入巴基斯坦 主流文化。

In 2018 I contested in the General Election as an independent candidate from my hometown with the manifesto of equality, high standard education and complete health facilities for all. I believe the people of this land have great talent and potential which has not been truly supported. The reason behind that is the lack of true leadership. However, with complete faith and immense hard work, we can change the reality.

2018年, 我作为俾路支省的独立候选人参加普选, 希 望为民众带来平等、高质量教育和全民医疗设施保障。 我相信,生于斯长于斯的人们极具天赋和潜力,但囿于 组织领导核心的欠缺而无法得到发挥。凭借强大信心和 加倍努力,我们必将改变现状。

Ahmed Igbal Baloch, Chairman Visionary Group has contributed his dedicated support for Pakistan Broadcasters Association, an association that has come in place to offer optimum advantage to all stakeholders of the media industry - Broadcast Houses, Ad Agencies, and Advertisers alike! Even though all the issues the industry faces are not common, but all players feel the impact in one way or the other. Within the rules and regulations that the Association has put together to meet its various aims, one chapter is particularly relevant to conducting business with Advertising Agencies and Media Buying Houses. It is a system operated process where Clearance House makes it imperative for the advertisers to pay their dues in stipulated time to avoid any inconvenience of disruption in telecast of their advertisements. Besides the broadcast houses, it provides protection to the Ad Agencies and Media Buying Houses against situations that could arise out of default of payments. In fact, it's a win situation for all the stakeholders under the regulatory umbrella of PEMRA.
